New Indoor Range Shooting Day

William "Bill" Howell, the Sunday Leader & RSO scheduler, is announcing that on Sunday, May 8, 2016, Mother's Day, the Indoor Range will be open from 2:00pm to 4:00pm for your shooting pleasure. The Range Safety Officers wish to welcome all visitors and club members to enjoy the Indoor Range during Sunday afternoons.

The Club's Indoor Range located at 250 Community Drive, Estes Park, CO is adding this weekend "day" to its' regular evening shooting schedule for your firearm target practice; Wednesday, Thursday and Friday evenings. Check the website for the evening hours.

Thank you to those eight Club members that volunteered to be instructed on April 2, 2016 in the NRA Range Safety Officer Class. Another RSO class will be offered soon for those that could not attend our first class offering. This class reinforces the safety issues that go along with the handling of all firearms in a controlled setting.

If you would like to contact the Sunday Leader, Bill Howell who is also our Club's Secretary, please contact him at 970-481-1243 or email lycanman0187@gmail.com.
